ISSUE/PURPOSE: Declare a local emergency on February 13, 2014 due to heavy snow, multiple road closures and hazardous driving conditions.

JUSTIFICATION: A heavy storm system creating more than 15 inches of snow on February 13, 2014 caused hazardous driving conditions, including Interstate 81 being blocked and multiple road closures throughout the County. State Code requires that the declaration of emergency be confirmed by the local governing body at its next regularly scheduled meeting, or at a special meeting within fourteen days of the declaration, whichever occurs first. The Director of Emergency Services (County Administrator) declared a local emergency to provide the County and its residents with potential assistance if the Governor issued a designation.
